

I doubt if there is another capital city or major commercial center as thoroughly disliked and distrusted in its own state as Little Rock by all of Arkansas. And the reason is Little Rock's chronic grabbing to her own bosom of assets that belong to other cities or to the state as a whole.

It is an inbred enviousness which cloaks every movement of Little Rock's community leaders and is reflected, either by natural inclination or commercial pressure, in the editorial policies of both Little Rock newspapers. Hope has been pretty hot over the misrepresentation of our county hospital question in the news columns of the Arkansas Gazette, but now comes a piece in Monday's Arkansas Democrat.

All I can say for the Democrat is that at least it separated fancy from its fact news columns and put opinion where it belongs — in the editorial column. Here is Monday's Democrat editorial:

**Wider Benefits Should Rule**  
"The counties that are wanting to share in federal funds allocated to Arkansas for hospital construction under the Hill-Burton Act seem to be overlooking the bad effect on medical education."

"If they succeed, with the help of Rep. Oren Harris, the Medical Center and St. Vincent's Infirmary will either have to change construction schedules or borrow money in order to finish their buildings on time."

"We sympathize with the counties that are in need of new hospitals. On the other hand, better facilities for training doctors, nurses, pharmacists and laboratory technicians for the state should come before local needs."

"Dr. J. T. Herron, state health officer, reminded the Hempstead county delegation of the moral obligation to support the completion of the Medical Center and the new St. Vincent's Infirmary. Attorney C. V. Nun, Jr. of Hope replied that Representative Harris was of the opinion that diversion of funds for the Hempstead hospital would cause little delay in the construction of the hospital facilities at Little Rock."

"Should the federal grant be scattered, the county hospitals will need nurses and medical technicians. There aren't enough available now. The hospitals would be too small for internships. There are few hospitals in Arkansas that are large enough to get interns now, and St. Vincent's is one of them."

"Although privately operated, St. Vincent's serves the state, and it has an important part in the entire medical program of Arkansas. The Medical Center is the very hub of the program. We won't be able to make much more progress in training doctors until it is completed."

No part of the Democrat's argument is pertinent to federal hospital aid at all.

The Democrat is discussing merely what Little Rock would like to have — not the proper and just distribution of federal tax funds.

Phoniest of all is the Little Rock editor's assumption that hospital aid was set up specifically to train doctors and nurses in Little Rock. The truth is that the federal grant was made in the name of good health, on a state-wide basis — and it is idiotic to attempt to narrow the program down solely to the training of doctors and nurses because of what use to Hope would be an additional army of doctors and nurses educated in Little Rock but lacking hospital facilities to apply their talents in our town and county?

Unless the physical plants of hospitals in Hope and the other secondary cities are expanded and modernized we are effectively shut off from the improved medical facilities visualized under the federal aid law no matter how many doctors and nurses fund-grabbing Little Rock might train. Those additional doctors and nurses, finding the Little Rock field saturated, and with no facilities to enable them to practice in the smaller cities, would simply leave Arkansas. That's how it is — and the Democrat editor knows it, no matter what he may have written Monday with tongue in cheek.

And finally, the whole Little Rock position on this hospital aid question is one of exquisitely refined selfishness. As you know, the University Medical Center and St. Vincent's Infirmary have grabbed every dollar of federal hospital aid allotted the state of Arkansas. These institutions are being expanded for the local taxpayers of Little Rock without a dime's contribution by the local taxpayers of Little Rock and Pulaski county. The Medical Center and St. Vincent's are being built entirely by state and federal funds. St. Vincent's is being expanded by private and federal money.

But here is Hempstead county with a bond issue authorized against all our tax-bearing property and yet we can't get a dollar of matching federal aid — all because selfish Little Rock has grabbed 100 per cent of that federal aid and

## American Pair Returns to Own Forces After 16 Hours Behind the Chinese Lines

By AL DAFF

**CENTRAL FRONT, Korea, (UP)** — Two American soldiers miraculously escaped to freedom today after 16 terror-packed hours behind Chinese lines.

Hiding motionless on a small hill, they saw the Reds capture American soldiers. They looked on while Reds occupied and looted a captured U. S. position. They saw the Chinese blast Allied lines with their mortars. They watched Communist dig, die and evacuate wounded.

From dawn to dusk yesterday, this incredible glimpse of the Communist battlefield was unveiled before Cpl. Hubert H. Wubben, a 25-year-old high school teacher who lives in Littleton, Colo., and Cpl. Henry J. Szyz.

dodged paying any part of the cost with her own tax dollars. I don't think Hempstead county will ever get a penny of federal hospital aid, and I didn't think so — and said it publicly — back when the question was framed on which our people voted. Nevertheless, this constant knitting of the true interests of the whole state by a handful of civic bandits in Little Rock ought to be stopped.

Rep. Oren Harris has a formula to stop at least the hospital-aid steal. He would limit the amount of any state allotment that might be spent in a single area to 60 per cent — which would make Little Rock and Pulaski county dig up some local tax funds instead of coasting along forever on a free ride.

## Probe Crash of Freighter Off Frisco

Continued from Page Three

**SAN FRANCISCO (UP)** — Survivors reconstructed today the collision sinking of a freighter in a heavy fog outside the Golden Gate, and the owners of the other vessel involved said the accident was "unavoidable."

A Coast Guard board of inquiry gathered information from both ships' captains as it prepared to open a full investigation into the incident.

A spokesman for Matson Navigation Co., owners of the Freighter SS Hawaiian pilot which rammed the Jacob Luckenbach, amidstships early yesterday, said "The Luckenbach cut across the pilot's bow and an accident was unavoidable."

The Coast Guard inquiry, originally set for today, was rescheduled for tomorrow to allow investigators to compile data on the collision.

## Pegler, Sokolsky Columns Dropped

Owing to space requirements The Star has discontinued publication of both the Westbrook Pegler and E. Sokolsky columns. Although top-ranking syndicate features they have been dropped because of inability to get such lengthy articles in every edition, and the space can be used for a greater variety of news. It's entirely a matter of space — the newspaper always has more type on hand than it can get into print, and we part with two nationally-known columnists on that account alone.

## Rev. Wm. Barham Funeral July 8

Funeral services were held July 8 at Forest Hill for the Rev. William Barham, 75, formerly of Emmet.

He is survived by his wife, Mrs. Rosa Barham; a daughter, Mrs. Richard Allen of Emmet; a son, John T. Barham of Emmet; five grandchildren; one great grandchild; two sisters, Mrs. Zee Sutton of Emmet and Mrs. Sid Jones of Prescott; one brother, Bob Barham of California.

## Old Liberty Camp Ground Revival

A revival meeting will begin Sunday, July 19, at the Old Liberty Camp Ground Church, six miles north of Fulton on the Washington Road, with the Rev. W. C. Onstead of Bismarck doing the preaching. Services begin each evening at 7:30.

**Centerville Sing**  
The regular monthly singing will be held Sunday afternoon at 2:30 at the Centerville church. The public is invited.

## Truce Sure If Reds Sincere, Says Ike Envoy

By LERO YHITTLE

**MCHORD AIR FORCE BASE, President Eisenhower's** envoy to South Korea, said last night the agreement he reached with President Syngman Rhee should bring an armistice if the Communists are sincere.

Robertson, an assistant secretary of state, brushed aside charges made by the Communist Peiping radio that his talks with Rhee had placed a time bomb in the way of an armistice.

"There were no agreements between the Republic of Korea and the United States governments which in any way would interfere with an immediate implementation of the truce," Robertson declared.

"We could sign a truce tomorrow."

## Top Policeman Is Accused in Red Probe

**NEW YORK (AP)** — A police lieutenant, twice cited for excellent police work and high on the promotion list for captain, must plead tomorrow to charges he gave false answers in a departmental probe into subversive affiliations.

Lt. Arthur Miller, 42, was accused yesterday of lying on July 2 when he answered questions dealing with Communist party affiliation. He then denied he ever was a party member or that he ever attended party meetings.

Miller is the first police superior to be charged in the probe. A patrolman, Meyer Rubinstein, was fired after he admitted lying about his former Communist party membership.

## 9 Road Jobs Advertised for Bids

**LITTLE ROCK (UP)** — Nine construction jobs with an estimated cost of about 1.3 million dollars were advertised for bids yesterday by the Highway Commission.

**The projects:**  
Newton County — 10,093 miles of grading, drainage and crushed stone base on the Jaster-South Road, Highway 7.

Mississippi County — 0.687 miles blacktop on Manila-South Road, Highway 77.

Randolph County — 152 feet of precast slag concrete bridges between Maynard and Middlebrook across Parker and Haygood Creeks, Highway 115.

Monroe and Lee counties — 13,207 miles blacktop on Monroe — East and West Road, Highway 70.

Lincoln County — 322 feet of structural steel bridge across Bayou Bartholomew, Highway 11, Jackson County — 0.814 miles — including 176 feet of bridge — of grading, reinforced concrete bridges and blacktop on Amagon-West Road, Highway 14.

Dallas County — 530 feet of widening work on five concrete bridges on Fordyce-North Road, Highway 107.

Polk and Craighead counties — 4,332 miles of blacktop of Point-Zett County Line-North Road, Highway 1.

Lawrence County — 327 feet of reinforced concrete bridges on the Imboden-Black Rock Road, Highway 63.

All jobs except those in Randolph County are federal aid jobs.

## Little Rain in Sight for U. S. Rest of July

**DALLAS, Tex., (UP)** — The splinter of drought-stricken southwesterners, whose hopes were buoyed by recent scattered rains, fell today as the U. S. Weather Bureau issued a forecast of less than normal rainfall in the next 30 days.

The forecast, issued by the U.S. Weather Bureau in Washington, indicated no early end to the four-year drought which has caused farmers and ranchers to lose millions of dollars.

Only Arizona in the stricken area could take heart from the predictions. Greater than normal rain was forecast there.

Rains within the past week have helped areas of Texas, Oklahoma, Kansas, Colorado and New Mexico in varying degree.

Rain fell yesterday along the dusty Rio Grande Valley area in South Texas, with President reporting .33, Laredo .32 and Brownsville reporting showers near by.

Federal and state agricultural experts said rain in Kansas during the last week were "extremely beneficial to growing crops and pastures." The Western two-thirds of the state, the drought belt in Kansas, received up to three inches of rain.

Oklahoma last week had the heaviest rains in 15 months, but still didn't get enough in most sections. The showers came too late to save corn, but helped feed prospects in the northern half of the state and provided moisture for working full wheat ground.

But rains were generally light in Southwestern Oklahoma, driest part of the state.

Showers in New Mexico and Colorado varied in intensity, but were of great benefit where they did fall.

But rains and cool weather seemed about over.

"We're about to go back to normal July weather," a Dallas forecaster said. And the 30-day outlook calls for temperatures above normal over the Southwest, meaning greater evaporation of the short moisture supply.

In Washington, the signing of a \$16,000,000 drought relief bill by President Eisenhower also heartened farmers and ranchers. The measure provides that additional appropriations can be allowed in

## Firecracker Sales to Be Prohibited

**LITTLE ROCK (UP)** — Arkansas' new fire marshal, Ernest H. Cox, said today he will begin a campaign to enforce a 1900 Arkansas law banning the sale of firecrackers Aug. 1.

Cox said he made the announcement yesterday so that merchants can get rid of fireworks in stock before his campaign begins.

The law to which the fire marshal refers prohibits the sale of toy pistols, cannon crackers or guns that shoot blank cartridges. Cox said he won't attempt to enforce the portion dealing with toy pistols.

"The law needs revision," Cox said, adding that he hoped the Legislature will enact new statutes to outlaw the sale of firecrackers and other pyrotechnics.

Cox blamed fireworks for a great many fires, and said the present drought situation in Arkansas called for caution.

A Little Rock fireworks wholesaler, W. H. Goodman, said he didn't think Cox could apply the 1900 law to present day fireworks because the "cannon" fireworks have gone out of existence.

**NEW YORK (UP)** — The big problem of a June bride in July, when the honeymoon is over, is to teach her husband he can't throw away his money the way he did when he was courting her.

Her task in at least two out of three American homes is to take over the spending of the major part of the paycheck herself.

How can she do this without leaving her husband secretly feeling he wedded a lady con artist?

I asked a group of older married men how they would advise a bride on this problem. They expressed flat disbelief that any woman, even a tender bride, would listen to advice on matrimony from any man. But they were flattered at the idea — strange as it seemed to them.

They divided into two camps. "The best thing for her to do is to let her husband handle the money until the landlord threatens to throw them out because they are behind in the rent, an auto loan company repossesses their car, and the department stores cut off their credit," was one view. "Then he'll be glad to turn the family finances over to her."

Those in the second camp thought this made about as much sense as the theory that the best

## Big 3 Offer German Unity Meet to Reds

By JOHN M. HIGHTOWER

**WASHINGTON (AP)** — United States, Britain and France posed an immediate challenge to Russia today to join in a four-power foreign ministers meeting aimed at reuniting East and West Germany.

The call for a session next autumn on Germany, and on completing an Austrian independence treaty, was agreed upon by American, British and French foreign ministers in a five-day conference which ended with issuance of a communique last night.

Notes from all three Western governments were prepared for dispatch to Moscow within 24 hours.

The foreign ministers also issued a warning to the Reds in Asia that if they break an armistice with a new attack on South Korea, the United States, Britain and France will again go to war.

The proposal on Germany represents initiative by the West to put squarely on the Kremlin in the face of its internal Berlin purge and in the light of anti-Communist unrest in East Germany — a challenge to do something definite about one of the world's worst sources of tension.

Secretary of State Dulles, Acting British Foreign Secretary Lord Salisbury and French Foreign Minister Georges Bidault also called for restoration of "true liberty" to the Soviet satellite peoples of Eastern Europe and announced that if those countries reject freedom, the door to unity with the community now being created in Western Europe is open to them.

On Far Eastern problems, the three ministers announced that economic embargoes against Communist China would be continued indefinitely after an armistice and that the policy of barring Red China from the United Nations would continue pending further consultation.

Britain and France joined with the United States in pledging to work for peaceful unification of Korea.

The three warned Red China against using prospective peace in "Continued on Page Two

## London Sex Strangler of 7 Is Hanged

By TOM OCHILTREE

**LONDON (AP)** — John Reginald Holiday Christie, 33, the Notting Hill sex strangler who confessed he killed seven women but might today have murdered more was hanged today in Pentonville Prison.

Even as he died a controversy raged over whether the mild-mannered transport worker and wartime auxiliary cop was guilty of a baby's murder for which another man was hanged three years ago.

The case of the insanity-pleading whistler in killing, who walked up his victim's bodies in his apartment or buried them in his garden, had shocked Britain as no other murder spree since Jack the Ripper's.

The sentence was carried out by Albert Pierrepont, England's chief hangman, who keeps a Yorkshire pub called "Help the Poor Strangler" when not at his official duties.

Pierrepont placed the noose with its attached black hood over Christie's head just before the scheduled hour, 9 a.m. Then the trap was sprung with a crash that echoed throughout the grim prison.

A crowd of about 200 persons, including many school children, were gathered outside the prison gate. A truckload of police waited near the gate but there was no disturbance.

The continuing controversy hinged on Christie's confession, at his trial that he strangled a neighbor's wife three years ago. The neighbor, Timothy Evans, was accused of killing both his wife and baby daughter but was convicted and hanged only for the infant's death. Christie's confession aroused speculation that Christie also killed the baby, though he denied this.

Queen's Counsel John Scott Henderson, after a night government inquiry, announced yesterday that Christie had lied in his confession and that he "did not" kill Mrs. Evans.

Evans' mother and two sisters then became suspicious and wrote Queen Elizabeth II last night, asking a public investigation. Seven teen Laborite members of Parliament also presented an 11th-hour motion demanding Christie's execution be stayed so he could testify at such an investigation.

The death sentence was carried out on schedule, however.

Christie was sentenced July 25 after a five-day trial in Old Bailey Court. He had testified that his ghastly kills over a 10-year period — most of them streetwalkers throttled or suffocated in the throes of illicit love — might have totaled more than seven women but he wasn't sure.

He was tried, however, only for the murder of his wife Ethel, 54, whose decaying body was found

## Bags 15th MIG to Become No. 2 Ace

**SEOUL (AP)** — Maj. James Jabara America's first jet ace bagged his 15th Communist MIG today to become the world's second-ranking jet ace.

Jabara was on the 58th combat mission of his second Korean tour. The victory also made him the second triple jet ace in history.

The 4th Fighter-Interceptor Wing said Jabara downed his 15th jet in a late-afternoon fight with a "bunch of MIGs."

One other MIG was downed in the fighting, the 5th Air Force said, by Capt. Clyde A. Curtin.

Today's victory puts Jabara within one MIG of the all-time record held by Capt. Joseph McConnell of Apple Valley, Calif., who bagged 16.

Jabara downed six MIGs on his first Korean combat tour.

Officers at his base said he paid his radar gunship high credit for the latest kill. He picked off the MIG at relatively long range for jet fighting, they said.

The Air Force said earlier this week that Jabara would leave for home before the end of July whether or not he completes his tour.

At the end of another 90 days after the conference is called, the situation is to be reappraised. If it should develop that the Communists had used the talks to stall and infiltrate South Korea with subversives, the United States and South Korea agree to walk out of the conference together and determine what to do next.  
"Our objectives are the same as those of South Korea," Robertson declared. "We want a unified Korea as much as they do."  
Robertson declined comment when asked whether the new truce offensive in Korea would jeopardize an armistice. He said that was a military question.  
Before Robertson relinquished his plane for the flight to Washington, he said he could be quoted as saying:  
"We have reached an agreement which should assure the signing of an armistice if the Communists are sincere in their desire for peace."

Before Robertson relinquished his plane for the flight to Washington, he said he could be quoted as saying:  
"We have reached an agreement which should assure the signing of an armistice if the Communists are sincere in their desire for peace."

The Premier has announced he will hold a referendum on his policies and will resign if the public's vote does not back him up. He has not named any plans for holding the referendum, however.  
The parliamentary crisis came after months of struggling over unprecedented powers granted Mosaddegh last summer permitting him to govern by decree.  
Parliament has been paralyzed since February when the opposition, led by Ayatollah Seyyed Abolghasem Kashani, boycotted session after session. Only nine of the last 49 scheduled meetings have been held because of the lack of a quorum. On July 1, Kashani was replaced as speaker by Dr. Abolmouza Moazzad, a Mosaddegh partisan.

The 27 deputies from Mosaddegh's National Movement handed Moazzad their resignations yesterday after a four-hour caucus. Moazzad did not join the action because he said, the speaker must be impartial.  
The deputy's two-year term normally would end in the spring of 1954. The last Majlis elections were never completed and only 79 of the 130 seats were filled.

ter, and subsidize feed and seed requirements.  
Secretary of Agriculture Ezra T. Benson also asked railroads to cut their freight rates in the south-west, so common can move their hungry stock to greener pastures. Railroads already have cut rates 30 percent on shipment of emergency feed into the area.  
The U. S. Weather Bureau said temperatures will climb back into the 90s today, ending a week of cool weather for Arkansas.  
However, the weatherman said the mercury won't go any higher than the 90s for the rest of the week. Cooling showers were forecast for the next few days over most of the state.  
Since last Thursday, temperatures have averaged three or ten degrees below July's normal 90-degree weather. The cool wave broke up a long siege of near 100-degree weather.

"Certain to clear away doubts about ratification" of the army treaty and delays in completing the plan for European political unification. He said he welcomed the Washington proposal for a four-power meeting with the Russians in the early fall to discuss the German problem.  
Government sources were pleased that this date would come after the Sept. 8 West German elections.

The chancellor issued a statement from his Black Forest vacation resort in which he expressed special pleasure that the Big Three endorsed his program for free nationwide elections and the formation of a free all-German government as cardinal points in proposed discussions with the Russians over Germany's reunification.  
He also hailed the Big Three support given to the lagging European defense army plan as a man election.

Search for Plane Victims Is Abandoned

HONOLULU — The Hawaiian Sea Frontier has called off the air-sea search for victims of the Transocean Air Lines passenger plane crash Saturday 350 miles east of Wake Island in which 50 persons perished.  
Fourteen mutilated bodies were recovered from shark-infested waters before the search halted at 4 p. m. yesterday.  
The Navy transport Barrett, which first came upon the plane wreckage, radioed that the plane crash apparently was caused by an explosion.  
The Barrett added that there was "no possibility of finding survivors alive."  
The Barrett was taking the 14 bodies — nine women, three men and two children — to Guam. It was scheduled to arrive there Friday.

## Nelson Tees Off Today at Texarkana

By CARL BELL

TEXARKANA (AP) — Byron Nelson, the greatest golfer in the world, will tee off today in the 36-hole Arkansas Open.

Although the prize of about \$300 probably wouldn't cover his expenses, Nelson came out of the semi-retirement of his Texas stock farm to compete in this tournament because he played his first match as a professional and held his first pro job at the Texarkana Country Club, where the open is being played.

Showing up a day earlier than expected, the one-time king of the link had a brilliant four under par 69 yesterday to lead 14 other pros to a 157 victory over Arkansas top amateur in the annual State Cup Matches.

It didn't take him long to get hot. He was even par through 13 holes despite putting trouble, dropped a 49-foot chip for a birdie on 14, parred 15 and finished with three birdie in a row.

His round was the best in the Cup Matches by a margin of three strokes as he dumped Albert Williams, the Texarkana man who was in the lead in the recent Arkansas Amateur tourney, 3 and 2. Nelson also teamed with Charlie Isom, youthful Little Rock pro, to win a team match.

Nelson attracted a big gallery, but it was his partner Isom who gave the spectators their top thrill. The tiny Little Rockian came with 14 inches of a hole in one with a material wood on the 250 yard 17th hole. He got an eagle on the hole but still lost his individual match to Gene Keeney of Texarkana, 2 up.

Barney Osment of Jonesboro, defending open champion, was low amateur in the cup matches with a one under par 72. That score

was matched by pros Don Murphy of Texarkana and Curtis Collier of Fort Smith. These three and Nelson were the only ones to break par on the 6,520-yard course.

Nelson and Isom defeated McWilliams and Keeney 3 and 1. Don Murphy, Texarkana, defeated Thomas Barker-A, Hot Springs, 2 and 1.

Paul Colburn-A, El Dorado, defeated Bill Martin, Jonesboro 4 and 2.

Colburn and Barker defeated Murphy and Martin, 3 and 2.

Al Hoffman-A, Texarkana, defeated Bud Vernon, 2 and 2.

Curtis Collier, Fort Smith, defeated David Orr-A, Texarkana, 4 and 3.

Collier and Vernon defeated Hoffman and Orr, 2 up.

Johnny Whitton, Little Rock, defeated Bill Clark-A, Texarkana, 3 and 2.

Al Rayford Camden, defeated Ted Durrugh-A, Little Rock, 2 up.

Whitten and Rayford defeated Clark and Durrugh, 1 up.

Charles Lewis Jr., Little Rock, defeated Robert Wilder-A, Little Rock, 4 and 3.

Lewis and Sellers defeated Wilder and Collins, 4 and 3.

Willie McCrotty, Little Rock, defeated Lee Siebert-A, Texarkana, 1 up.

Hogan Roundtree, El Dorado, defeated G. T. Caven-A, Texarkana, 1 up.

McCrotty and Roundtree defeated Siebert and Caven, 1 up.

Ed Ackersblom, Little Rock, defeated Aubrey Harper-A, w up.

Barney Osment-A, Jonesboro, defeated Horace Lacey, Little Rock, 4 and 3.

Osment and Harper defeated Ackersblom and Lacey, 1 up.

Billy Patterson-A, Texarkana, defeated Bib Menez, Pine Bluff, 3 and 2. (Spare twosome no team play).

## Ray Duran, of Old Mexico, on Coliseum Card

Ray Duran

Senior Ray Duran, Affable and smiling 200 pound wrestler from Puebla, in old Mexico, is a cannoneer of an entirely different complexion once he climbs into the ring. El Senor is called on hombre Nix Maldito by south of the border fans and a very bad hombre is just what grapplers and fans alike are apt to find him in our own Estados Unidos. He wrestles at Hope's Coliseum Thursday.

It has been several years since the black haired gentleman with the small mustache and the flashing white teeth has paid a visit to these parts. Duran is one of the top luchadors in his native land and the good senor explains his absence by pointing out that the business of lucha libre, just plain wrestling to you, is very good in Mexico. "We have crowds of 10,000 in our Mexico Arena Nacional during the winter," says luchador Duran in his broken English, adding, "And in the summer we draw from 15,000 to 30,000 spectators to matches held in the Arena El Toros." (That's the bull ring to you guys.)

What the courteous Senor Duran does not mention is that he is one of the most hated grapplers in his native land. Senor Alvarado Lutter, extremely wealthy impresario of De lucha libre in Mexico City, says it is just such characters as the smiling Duran who have made it necessary for him to place a heavy steel wire netting above the ring in Mexico City to protect life and limb of the grapplers. Bolleas de cerveza (brew to you), cabbages, tomatoes and an abundance of overly ripe fruit bounce off this netting when Duran starts committing mayhem on some olive skinned opponent. The netting also serves to keep the ring from being cluttered with an avalanche of sombreroes when the good Senor Duran is taking a pasting.

"Where I was raised on a rancho, outside Puebla, it was very hard," Ray explains. "We learn to live rough in handling the cattle so I naturally am rough in lucha libre." (That means wrestling — in case you haven't figured it out already.) "In the bull fight, the Magador or the Torero, he sometimes get killed. In lucha libre the luchador sometimes get hurt," adds our neighbor of the south, shrugging his shoulders inasmuch as to identify convey — so what?

feated Horace Lacey, Little Rock, 4 and 3. Osment and Harper defeated Ackersblom and Lacey, 1 up. Billy Patterson-A, Texarkana, defeated Bib Menez, Pine Bluff, 3 and 2. (Spare twosome no team play).

## Vol Manager Suspended for 3 Days

By MERCER BAILEY

Associated Press Sports Writer  
At a time when Nashville can ill afford to lose his services, Vol Manager Hugh Poland must sit out a 3-day suspension slapped on him by Southern Association President Charles Hurlb.

The Vols are fighting a losing battle to prevent Atlanta from surging to the top of the league. The Crackers have gained two games on the Vols in the past two nights, narrowing the leaders' margin to two and a half games.

Poland was suspended last night just before his team took an 11-5 decision to Chattanooga, Hurlb said he was handing down the order, plus a \$25 fine, as a result of abusive language Poland used during an argument with Umpire Carlisle Burch Monday night.

## Pitching Gave Nats Edge in the All-Star

CINCINNATI (AP) — That Nation

at League power everyone was talking about can bow down and say "Thank you" to the pitching. That was the general verdict in both clubhouses after yesterday's 3-1 victory by the National League over the American League in the 20th All-Star Game.

Charlie Dressen, manager of the Brooklyn Dodgers and the pitcher of the winning National League, had this to say: "When you get tough pitching, they're tough to hit. I wish I had that kind of pitching all season."

And Casey Stengel, manager of the New York Yankees and the losing man for the American League, blamed inability to hit.

During his team's losing effort, Casey had played errorless ball for 54 consecutive games, a league record, until he failed to bring home a ball in the second inning. Ken Landenberger panned the games with an 11-5 shellacking. Memphis attack with a 3-run home run and New Orleans hung on to whip Moore, 3-2, in 17 innings.

Little Rock Second Baseman with his fifth loss against one of the best pitchers in the league.

for most of the American League season.

Casey also had some rough words for an umpire and the wind. He insisted Eddie Matthews of the Milwaukee Braves was not hit by a pitched ball in the fifth inning when the Nationals scored two runs. He also declared Larry Doby's ninth inning fly would have been a home run except for the brisk wind.

But he added: "We got beat and we got beat fairly."

Happiest guy for the Nationals was Dewey Reese, Brooklyn shortstop. Although he had played in seven previous games he never had gotten a hit in 13 times at bat.

Yesterday he knocked out a single and a double and drove in two runs.

Dressen insisted he wasn't worried when the American League threatened to sue him because they have a couple of boys down there getting ready.

Dressen may not have been too much concerned but there was one dangerous individual. That was Wally Piker, president of the National League.

The personable Piker, who received a considerable upset when Johnny Nelson from the twin cities, was described by telling a banquet gasp, but he became his affable therapist.

"I first turned pro in Texarkana, I had my first pro job in had."

## Hogan Best of All Time, Says Nelson

TEXARKANA (AP) — Byron Nelson

used his own testimonial dinner last night as an occasion to proclaim Ben Hogan as "the greatest golfer who ever lived."

"Ben is the greatest," Nelson said, "because he put forth more effort to win than any man who ever lived."

A few minutes earlier another banquet speaker, Texarkana automobile dealer Oliver Dyer, pointed to the scribbled Nelson, had said:

"There'll always be a question whether Hogan, (Hobbs) Jones or Ben is the best."

Yesterday was "Byron Nelson Day" in Texarkana, and apparently Nelson shot a four under par 69 this afternoon to lead a

team of pros to victory over the amateurs in the Arkansas Cup.

## 21 Quizzed in Shooting at Rison

RISON (AP) — Twenty-one witness

were questioned by a Cleveland County Grand Jury here yesterday in a July 5 shooting spree in which one person was killed, a deputy sheriff wounded and two other injured.

The jury deferred action on the case, referring it to the December panel.

Barley Reed, 60, a Rison auto operator was shot fatally, when Sheriff Homer Morrison attempted to arrest his son, Deputy Sheriff Angus Morrison, Reed's son, and his wife were injured.

Morrison has said he fired the fatal shot "in the line of duty."

## Gavilan to Be Right for Fuentes

MILWAUKEE — Kid Gavilan, the  
boto-punching world welter-  
weight champion, hasn't been too  
impressive in his last two bouts,  
a fact which bodes no good for  
Ramon Fuentes tonight.

Gavilan, the Cuban Hawk who  
can be very good when he wants  
to be, is expected to go all out  
when he takes on Fuentes, of Los  
Angeles, the eighth-ranked 147-  
pounder at the Milwaukee Arena.

The match is the first Wisconsin  
boxing show to be televised na-  
tionally and will wind up a 40-  
round light card. The telecast is  
scheduled for 9 p.m., EST.

Gavilan, who won his crown  
from Johnny Watson in 1951, lost  
to Danny (Bang Bang) Wonder in  
May but since then has beaten  
Italo Scapellato in a dull scrap.  
A fast man with his hands and a  
past master as a boxer, Gavilan  
has been knocked down only once.  
That was by Ike Williams several  
years ago and the Kid got up to  
win the fight.

The Cuban has 43 victories, 13  
knocks and 3 draws. Until he was  
surprised by Wonder, he had not  
been beaten in almost three years.

Fuentes, holder of the California  
welterweight championship, has  
been beaten only once in 25 bouts.  
His idea to risk, takes a punch  
well and can hit soundly with  
either hand.

## Old All-Star Jinx Worries Casey Stengel

By JOE HEICHLER

CINCINNATI — Has the All-  
Star jinx struck again?  
Casey Stengel was a mighty  
worried man today as he took his  
league-leading New York Yan-  
kees into St. Louis for a three-  
game series.

News that Mickey Mantle found  
it painful to walk following the  
dislocation of a pulled leg mus-  
cle in yesterday's All-Star game  
was even more distressing to the  
grizzled old than the American  
League's 1-1 defeat at the hands  
of the N. League.

The pain was so severe that  
Mantle may not be able to play  
against the Browns tomorrow  
night. The switch-hitting star won't  
be sure until before game time  
but all he knows is that his leg is  
that could have been held to a  
Stengel was blaming himself for  
putting Mantle's injury. He per-  
mitted Mickey to play in the All-  
Star game against his better judg-  
ment. It wasn't until five minutes  
before the start of the game that  
Casey decided to yield to Mantle's  
insistence on playing.

In the seventh inning, Mickey hit  
a sharp force-play grounder to  
shortstop, and in putting on speed  
to beat a double play, re-injured  
his left leg. The young slugger was  
playing with a taped leg, but for  
the first time two weeks ago, and  
he injured last Sunday against  
Washington.

The crowd of 30,846 cash custom-  
ers saw a game entirely different  
from what they had anticipated.  
Expecting to see the shoggers  
knock down the Croley Field  
fence, the fans saw instead the  
pitchers all but completely domi-  
nate the hitters. No home runs  
were hit for the first time since  
1944. There wasn't even a nearly  
triple. The only extra base hit was  
a two-bagger by Prevee Reese  
that could have been held to a  
single with sharper fielding.

In all, 15 hits were made, 10  
by the victors. Robin Roberts,  
Warren Spahn, Curt Simmons and  
Murry Dickson in that order, held  
the American League to five  
singles. They had a two-hit shut-  
out until the ninth when singles by  
Felix Phil, pinch hitter Johnny  
Mize and Minnie Minoso off Dick-  
son provided the only AL run.

The defeat was the fourth  
straight for the American League  
as well as for Stengel, which has  
yet to win an All-Star game. The  
Yankee manager has more luck  
in the fall, however, as his four  
World Series triumphs attest. The  
American League still holds an 12-  
1 edge after the 20th game.

The National League attack was  
headed by Enok Slaughter and  
Reese, a pair of veteran All-Star  
performers. Slaughter, now a 10-  
year-man in All-Star play, gave  
his greatest performance. He  
rapped two hits, drove in a run  
and scored two. He also stole a  
base and electrified the crowd  
with a brilliant diving catch in the  
sixth inning.

Reese, hitless in eight previous  
All-Star Games, drove in two runs  
with a single and double. Stan  
Musial got two hits but they didn't  
figure in the scoring.

The Phillies' Richie Ashburn also  
contributed to the National  
League's scoring. His pinch single  
off Laker Allie Reynolds drove in  
the first of two fifth-inning tallies  
and broke a scoreless deadlock.  
Dickson drove in the final National  
League run with a single off Satchel  
Paige in the eighth. The hit fol-  
lowed singles by Roy Campanella  
and Slaughter.

The Americans received shutout  
pitching from southpaw Billy  
Pierce, to match three scoreless  
innings of pitching by Robin Rob-  
erts. Each allowed only one hit.  
Spahn, who received credit for  
the victory, hurled two hitless in-  
nings. Simmons permitted  
one hit in the two innings he  
pitched.
